Danfoss Commercial Compressors is a worldwide manufacturer of compressors and condensing units for refrigeration and HVAC applications. With a wide range of high quality and innovative products we help your company to find the best possible energy efficient solution that respects the environment and reduces total life cycle costs.

We have 40 years of experience within the development of hermetic compressors which has brought us amongst the global leaders in our business, and positioned us as distinct variable speed technology specialists. Today we operate from engineering and manufacturing facilities spread across three continents.

Performer Variable Speed scroll compressors

Performer Air Conditioning scroll compressors

Performer Heat Pump scroll compressors

Maneurop Variable Speed reciprocating compressors

Performer Refrigeration scroll compressors

Maneurop Reciprocating Compressors

Optyma Plus Condensing Units

Optyma Condensing Units

Our products can be found in a variety of applications such as rooftops, chillers, residential air conditioners, heatpumps, coldrooms, supermarkets, milk tank cooling and industrial cooling processes.
